# MOLDSTAT™ Peroxy Soft

## Tub and Tile Crème Cleanser Brightens as it Cleans

**Moldstat™ Peroxy Soft** is a liquid cream cleanser containing a highly fortified, hydrogen peroxide formulation.

**Moldstat™ Peroxy Soft** quickly removes imbedded soap scum, stains, grease, oxidation, hard water deposits, every day grime and bacteria from a variety of surfaces while brightening with a color safe bleaching action and eliminating all associated odors.

**Moldstat™ Peroxy Soft** is light blue in color so one can easily identify coverage plus contains gentle abrasives for fast cleaning without the fear of scratching.

**RECOMMENDED USE ON:** Chrome and stainless steel, appliance enamel, ceramic tiles, and porcelain, formica countertops. When cleaning fiberglass, use light pressure only! Not for use on plastic counter or vanity tops.

### DIRECTIONS (SHAKE WELL BEFORE USING)

Apply a small amount of on a damp sponge or cloth or directly onto the surface to be cleaned. Gentle rubbing is all that is required. Rinse or wipe clean. Close easy open spout after use. Treatment with **Moldstat Plus™** (a registered mildewcide) is suggested to prevent regrowth of mold or mildew.

**RESTROOMS & SHOWERS:** For porcelain, fiberglass and stainless steel associated with restroom fixtures (urinals, sinks, tubs, etc.) apply product directly on surface and rub with sponge or cloth. Rinse with clean water and allow to air dry or wipe dry with a clean cloth.

### KEEP OUT OF REACH OF CHILDREN

#### CAUTION: EYE IRRITANT

Contains Hydrogen Peroxide. Avoid contact with eyes and prolonged contact with skin. DO NOT swallow. Avoid breathing vapor. Wear goggles, face shield or rubber gloves when handling.

#### FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15- 20 minutes. Call a poison control center or doctor for treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15- 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

#### STORAGE AND DISPOSAL

Store upright in cool, dry area away from direct sunlight that is inaccessible to children and pets. Do not reuse empty container. Discard in trash or offer for recycling if available.
