

RUFF N' READY

Degreaser / Cleaner

DESCRIPTION

This product is a specially designed heavy duty degreaser in convenient ready to use form. This product allows rapid penetration and removal of grease, dry soils, and oil borne soils on all wash-able surfaces. A ready-to-use blend of anionic and nonionic surfactants in a buffered and chelated base with specially selected water soluble solvents and corrosion inhibitors without the use of abrasives, harsh alkalines, toxic solvents or acids.

PRODUCT FEATURES / BENEFITS

- Multiple use / Convenient and safe package for all personnel
- Highly active formulation / Safe and pleasant to use
- No rinse formula / Labor saving and economical
- Pleasantly scented, water base formula / Allows for fast labor saving one-step cleaning
- Ready-to-use / Designed for use with any spray on or mechanical device
