### Aluminum Cleaner

#### Heavy Duty • Concentrated Cleans & Brightens Aluminum Surfaces

Specially formulated for aluminum trailers and truck bodies. Restores metal to its original shine. Removes carbon, smoke and road film from trailer body.

#### DIRECTIONS FOR USE:

Use proper protective equipment; rubber gloves, face shield and apron. This product is a concentrate to be diluted with water. Use with adequate ventilation.

**REGULAR CLEANING:** Use one part cleaner to 25 parts water.

**CORROSION REMOVAL:** Use one part cleaner to ten parts water.

1. Rinse trailer off with high pressure water to remove sand and dirt. Keep trailer wet at all times.
2. Apply cleaner by spray or brush, starting at bottom of panel and working to the top.
3. Do one panel or section at a time. Allow three to five minutes dwell time or until desired cleaning action is observed. Keep panels wet. Rinse well, working from bottom to top.
4. Rinse each section with water from high pressure spray. Do not spray on glass. Protect windshields, side windows and mirrors. This product is formulated only for aluminum body trailers. For specific use, contact your representative.

**USE RUBBER GLOVES, FACE SHIELD AND APRON.  
DO NOT TAKE INTERNALLY.**

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**  **POISON**

Harmful or fatal if swallowed. Contains phosphoric acid and hydrofluoric acid. Causes burns that are not immediately painful. Avoid contact with skin, eyes or clothing. Wear rubber gloves and eye protection when handling this product. Avoid breathing fumes. Avoid getting product under fingernails.

#### FIRST AID:

**If Swallowed:** Do not induce vomiting. Call a physician or poison control center immediately. Offer small amounts of water or milk. Do not give anything by mouth to an unconscious person.

**Eye Contact:** Rinse with water for 15 minutes. Get immediate medical attention.

**Skin Contact:** Remove contaminated clothing. Flush surface with large amounts of water immediately. Get prompt medical attention.

**Inhalation:** Remove victim to fresh air. Get medical attention if irritation persists.

#### STORAGE AND DISPOSAL:

Store in areas inaccessible to children. Do not reuse empty container. Wrap and discard in trash. Any disposal practice must be in compliance with local, state and federal regulations.

**FOR INDUSTRIAL & INSTITUTIONAL USE**
