Description

This concentrated cleaner is excellent for use on any surface not harmed by water alone. Its neutral pH formula will not dull or damage finished floors. Combining high performance, controlled foaming and a great orange fragrance, this product is ideal for daily floor cleaning. Use manually or in auto scrubbers for sparkling clean results.

Features...Benefits

- Fresh Fragrance Pleasant to Use
- Controlled Foam Labor Saving
- Versatile Easy to Use
- Concentrated Economical
- Will Not Dull Floors Improved Sanitation

Directions For Use

FLOORS - Manual Mopping: Dilute 2 to 10 oz. per gallon depending on soil conditions. Mop floor and pick up soils and cleaner in one operation. Let floor dry before allowing traffic.

FLOORS - Auto Scrubbers: Dilute 1/2 to 5 oz. per gallon depending on soil conditions. Scrub floor and allow to dry before resuming traffic.

ALL OTHER SURFACES: Dilute 1/2 to 16 oz. per gallon of water depending on soil conditions. Apply by spray, mop or brush. Agitate, wipe away. Repeat if necessary.

Safety Information
